**Example:** Bridges 549 and 552 appeal to you. You fill out both bid forms separately with a price as you normally would. This form is where you would give us your price if you received both bridges. Bridge 549 and 552 are worth "x" amount apart, but they are worth "y" together.

**Check box:** Please check the box when your bid form is completed to certify the bid total is accurate. Also to acknowledge all documents, specs and addendums.
